Dr. James R. Schlesinger
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Dr. Schlesinger:

I want to extend most sincere congratulations, on behalf of Xerox Corporation, to you with your recent appointment as Director of the Central Intelligence Agency. We know you must be proud of the unanimous congressional approval which you received, for it represents tremendous confidence in your abilities.

For many years, Xerox has maintained excellent business relations with many Agency people. Even this week, some of the key members of your management team are visiting our Information Systems Group Headquarters in Rochester, New York, to extend the dialogue which was begun some time ago.

We are very pleased to be able to provide continuing service to CIA. Please accept, with my compliments, the enclosed brochure, which describes very concisely some of our most current corporate capabilities.

If I can be of personal assistance to you in any way, please do not hesitate to call upon me.

Very truly yours,

Robert F. Pavelka
Vice President and
General Manager
